

Jurnal Keunis (Keuangan dan Bisnis) is a multidisciplinary scientific journal published by Program Studi Keuangan dan Perbankan Politeknik Negeri Semarang. KEUNIS provides a specialized forum for the publication of research in the areas: Economic, Finance, Banking, Accounting, and Auditing, placing primary emphasis on the highest quality analytical, empirical, and clinical contributions in the significant areas. This journal is published twice a year (January and July). The KEUNIS of Politeknik Negeri Semarang was published in Indonesian and English. It is expected that the authors submit the paper in Indonesian and English.

We invite writers and researchers to contribute to scientific writing. Manuscripts can be submitted through the Open Journal System at: <https://jurnal.polines.ac.id/index.php/keunis>.
